Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: A voicemail message was left for Applicants' Representative, John D. Goodhue, inquiring about the status of the instant application. It was indicated no response has been received to the 'Final Office Action' mailed 22 March 2004, and that the case appears abandoned. Applicants' Representative was given until the close of business 25 October 2004 to respond to this inquiry, otherwise, the case will be considered abandoned. No response has been received therefore the case is considered ABANDONED..
